HE WILL MAKE A WAY

I know that you're discouraged
But you're not alone
There is absolutely no situation
Out of His control
One door may close Another will open
Jesus is healer of all that is broken

***He will make a way
Where there is no way
He will bring His peace
Where there is no peace***

Watch Him put together
What's been torn apart
He can soften up the most
Hardened of hearts
He will make a way
Where there is no way

Don't you go believin' lies
He's not forgotten you
There's gonna be another
Higher, greater place He will take you to
Watch Him move mountains
Ride you through the waves
He can deliver in the darkest of days

There is no war He doesn't win
When you're at your end He's just
beginning
He will make a way where there is no way

Our only hope is in Him
No matter what this life can bring
Jesus stands alone
As the God of impossible things

Watch Him move mountains
Ride you through the waves
He can deliver in the darkest of days

SWEET GLOW OF MERCY

I've seen the darkness
And it saw me
But here in the light
Where the dark can't see
There is a sweet glow of mercy that covers me

Now I am found
But once was lost
And there in the gutter
Where the wheels came off
There was a sweet glow of mercy that
covered me

***It picked me up
And set me right
Brought me day
And killed my night
Mercy's there at every turn
Mercy gives what I can't earn
Gonna let that sweet glow of mercy
Yeah, that sweet glow of mercy
Gonna let that sweet glow of mercy
cover me***

I've been known to run
But I can't hide
I can't get away
From the light inside
There is a sweet glow of mercy that covers me
I have fun
I go fast
But when the pull
Of this life has passed
There will be a sweet glow of mercy that
covers me
And if I die before I wake
There's no doubt what soul he'll take
There would be a sweet glow of mercy
Yeah, the sweet glow of mercy
There'll be a sweet glow of mercy that
covers me

SCRIPTURE READING:

MARK 1: 40-45

PREACHING I

JESUS FRIEND OF SINNERS

Jesus Friend of sinners
We have strayed so far away
We cut down people in Your name
But the sword was never ours to swing
Jesus Friend of sinners
The truth's become so hard to see
The world is on their way to You
But they're tripping over me
Always looking around but never looking up
I'm so double minded
A plank-eyed saint with dirty hands
And a heart divided

*(Oh) Jesus Friend of sinners
Open our eyes to the world
At the end of our pointing fingers
Let our hearts be led by mercy
Help us reach with open hearts and open doors
Oh Jesus Friend of sinners
Break our hearts for what breaks Yours*

Jesus Friend of sinners
The One whose writing in the sand
Made the righteous turn away
And the stones fall from their hands
Help us to remember we are all the least of these
Let the mem'ry of Your mercy
Bring Your people to their knees
Nobody knows what we're for
Only what we're against when we judge the wounded
What if we put down our signs
Crossed over the lines
And loved like You did

You love ev'ry lost cause
You reach for the outcast
For the leper and the lame
They're the reason that You came
Lord I was that lost cause
And I was the outcast
But You died for sinners just like me
A grateful leper at Your feet

('Cause) You are good
You are good
And Your love endures forever (4X)

And I was the lost cause
And I was the outcast
Hey

You died for sinners just like me
A grateful leper at Your feet

PREACHING II

PRAYERS OF THE COMMUNITY

LORD'S PRAYER

COMMUNION

GOOD GOOD FATHER

I've heard a thousand stories
Of what they think You're like
But I've heard the tender whisper
Of love in the dead of night
You tell me that You're pleased
And that I'm never alone

You're a Good Good Father

It's who You are

It's who You are

It's who You are

And I'm loved by You

It's who I am

It's who I am

It's who I am

I've seen many searching for answers
Far and wide
But I know we're all searching for answers
Only You provide
Because You know just what we need
Before we say a word

You are perfect in all of Your ways
You are perfect in all of Your ways
You are perfect in all of Your ways to us

Love so undeniable I can hardly speak
Peace so unexplainable I can hardly think
As You call me deeper still
As You call me deeper still
As You call me deeper still
Into love love love

HOW GREAT IS OUR GOD

The splendor of the King
Clothed in majesty
All the earth rejoice
He wraps Himself in light
And darkness tries to hide
And trembles at His voice
And trembles at His voice

How great is our God

Sing with me

How great is our God

And all will see how great

How great is our God

And age to age He stands
And time is in His hands
Beginning and the End
Beginning and the End
The Godhead three in one
Father Spirit Son
The Lion and the Lamb
The Lion and the Lamb

Name above all names

Worthy of all praise

My heart will sing

How great is our God

HOLD US TOGETHER

It don't have a job
It don't pay your bills
Won't buy you a home in Beverly Hills
Won't fix your life
In five easy steps
Ain't the law of the land or the government
But it's all you need

And love will hold us together

Make us a shelter to weather the storm

And I'll be my brother's keeper

So the whole world will know that we're not alone

It's waiting for you
Knocking at your door
In the moment of truth
When your heart hits the floor
And you're on your knees
This is the first day of the rest of your life
This is the first day of the rest of your life
'Cause even in the dark you can still see
the light

It's gonna be alright it's gonna be alright
