Abide With Me

I have a home eternal home
But for now I walk this broken world
You walked it first You know our pain
But You show hope can rise
Again up from the grave

Abide with me abide with me
Don't let me fall and don't let go
Walk with me and never leave
Ever close God abide with me

There in the night Gethsemane
Before the cross before the nails
Overwhelmed alone You prayed
You met us in our suffering
And bore our shame

Oh love that will not ever let me go
Love that will not ever let me go
You never let me go
Love that will not ever let me go

Well You never let us go

And up ahead eternity
We'll weep no more we'll sing for joy
Abide with me

Opening Prayer

There Was Jesus

Every time I tried to make it on my own
Every time I tried to stand and start to
fall
All those lonely roads that I have
traveled on
There was Jesus

When the life I built came crashing to the
ground
When the friends I had were nowhere to be
found
I couldn't see it then but I can see it now
There was Jesus

In the waiting in the searching
In the healing and the hurting
Like a blessing buried in the broken
pieces
Every minute every moment
Of where I been or where I'm going
Even when I didn't know it
Or couldn't see it
(There was Jesus)

For this man who needs amazing kind of
grace
For forgiveness at a price I couldn't pay
I'm not perfect so I thank God every day
There was Jesus (There was Jesus)

There was Jesus on the mountain in the
valleys
(There was Jesus) in the shadows of the
alleys
(There was Jesus) in the fire in the flood
(There was Jesus) always is and always
was

No I never walk alone You are always
there
(Never walk alone)

There was Jesus (There was Jesus)
(There was Jesus)

Preaching I

Preaching II

Come To The Table

We all start on the outside
The outside looking in
This is where grace begins
We were hungry we were thirsty
With nothing left to give
Oh the shape that we were in

Just when all hope seemed lost
Love opened the door for us

(He said) come to the table
Come join the sinners who have been
redeemed
Take your place beside the Savior
Sit down and be set free
(Come to the table)

Come meet this motley crew of misfits
These liars and these thieves
There's no one unwelcome here
So that sin and shame that you've
brought with you
You can leave it at the door
And let mercy draw you near

To the thief and to the doubter
To the hero and the coward
To the pris'ner and the soldier
To the young and to the older
All who hunger all who thirst
All the last and all the first
All the paupers and the princes
All who've failed you've been forgiven
All who dream and all who suffer
All who've loved and lost another
All the chained and all the free
All who follow all who lead

Anyone who's been let down
All the lost you have been found
All who've been labeled right or wrong
To ev'ryone who hears this song

Woah sit down and be set free
Come to the table
Come to the table
Just sit down and rest awhile
Just sit down and rest awhile
Come to the table

Prayers for the Community

Communion

I Could Sing Of Your Love Forever

Over the mountains and the sea
Your river runs with love for me
And I will open up my heart
And let the Healer set me free
I'm happy to be in the truth
And I will daily lift my hands
For I will always sing
Of when Your love came down yeah

I could sing of Your love forever
I could sing of Your love forever
I could sing of Your love forever
I could sing of Your love forever

Oh I feel like dancing
It's foolishness I know
But when the world has seen the light
They will dance with joy like we're
dancing now

Alive Again

I woke up in darkness
Surrounded by silence oh where
Where have I gone
I woke to reality
Losing its grip on me oh where
Where have I gone
'Cause I can see the light
Before I see the sunrise

You called and You shouted
Broke through my deafness
Now I'm breathing in and breathing out
I'm alive again
You shattered my darkness
Washed away my blindness
Now I'm breathing in and breathing out
I'm alive again

Late have I loved You
You waited for me I searched for You
What took me so long
I was looking outside
As if love would ever want to hide
I'm finding I was wrong
'Cause I feel the wind before it hits my
skin

I'm alive again
'Cause I want You
Yes I want You
I need You and I'll do whatever I have to
Just to get through
'Cause I love You
Yeah I love You

America The Beautiful

O beautiful for spacious skies
For amber waves of grain
For purple mountain majesties
Above the fruited plain
America America God shed His grace
on thee
And crown thy good with brotherhood
From sea to shining sea

O beautiful for pilgrim feet
Whose stern impassioned stress
A thoroughfare for freedom beat
Across the wilderness
America America God mend thine ev'ry
flaw
Confirm thy soul in self control
Thy liberty in law

O beautiful for heroes proved in
liberating strife
Who more than self their country loved
And mercy more than life
America America may God thy gold
refine
Till all success be nobleness
And ev'ry gain divine

O beautiful for patriot dream
That sees beyond the years
Thine alabaster cities gleam
Undimmed by human tears
America America God shed His grace
on thee
And crown thy good with brotherhood
From sea to shining sea
