Come To The Table

We all start on the outside
The outside looking in
This is where grace begins
We were hungry we were thirsty
With nothing left to give
Oh the shape that we were in
Just when all hope seemed lost
Love opened the door for us

(He said) come to the table
Come join the sinners who have been redeemed
Take your place beside the Savior
Sit down and be set free
(Come to the table)

Come meet this motley crew of misfits
These liars and these thieves
There's no one unwelcome here
So that sin and shame that you've brought with you
You can leave it at the door
And let mercy draw you near

To the thief and to the doubter
To the hero and the coward
To the pris'ner and the soldier
To the young and to the older
All who hunger all who thirst
All the last and all the first
All the paupers and the princes
All who've failed you've been forgiven
All who dream and all who suffer
All who've loved and lost another
All the chained and all the free
All who follow all who lead
Anyone who's been let down
All the lost you have been found
All who've been labeled right or wrong
To ev'ryone who hears this song

Woah sit down and be set free
Come to the table
Come to the table
Just sit down and rest awhile
Just sit down and rest awhile
Come to the table

Opening Prayer

In The Room

Verse 1

There are moments nothing can replace
When Heaven and earth meet face to face
A broken heart begins to change
A word takes on flesh and a soul finds faith

Verse 2

Where the unfulfilled are satisfied
The unknown scars are reconciled
It's an open door to brand new life
Up close in the presence of the Savior

Chorus 1

I just wanna be in the room
Wanna be in the room when You move
And I'm not leaving not leaving till You do
(REPEAT)

Verse 3

Wanna see the blind receive their sight
Hear the praise of the voices start to rise
Ev'ry child of God baptized with fire
Right here in the presence of the Healer

Chorus 2

I just wanna be in the room
Wanna be in the room when You move
And I'm not leaving not leaving till You do
I don't wanna miss it

I just wanna be in the room

Wanna be in the room when You move
And I'm not leaving not leaving till You do

Bridge 1

Tear off the roof lower me down
Whatever it takes to get me to You
(REPEAT)

Bridge 2

Tear off the roof lower me down
Whatever it takes to get me to You
Roll every stone push through the crowd
God I wanna see You breakthrough
(REPEAT)

Preaching I

Running Back To You

I was an orphan

Defined by mistakes
Thought I was forsaken
That You gave up the chase
I went to the reaches
To try and ease the ache
Turned my back on the One
Who kept calling my name
You kept calling my name

Didn't matter where I was at
You just kept calling me back
Chorus 1
Back to the table back to my home
Back to my Father who never lost hope
For the first time in ages I know what to do
With my arms wide open I'm running to
back to You

Now I have been rescued
My soul is remade
But even the ransomed
Can fall on their face
When I'm drowning in questions
When I've lost the path
Your love is the answer
You're calling me back

It doesn't matter all the times
Where I've been in over my head
I'm never too far gone where
Your arms cannot pull me back again
I've never been so lost where
Your love could not fill my emptiness
I'm never too far gone where
Your arms cannot pull me back again

Back to the table back to my home
Back to my Father who never lets go
Whatever I'm facing I know what to do
With my arms wide open I'm running to
back to you

Preaching II Prayers for the Community Communion

You Raise Me Up

When I am down and oh my soul's so
weary

When troubles come and my heart
burdened be
Then I am still and wait here in the
silence
Until You come and sit a while with me

You raise me up so I can stand on
mountains
You raise me up to walk on stormy seas
I am strong when I am on Your
shoulders
You raise me up to more than I can be

There is no life no life without its hunger
Each restless heart beats so imperfectly
But when You come and I am filled with
wonder

Sometimes I think I glimpse eternity

The In Between

From death to life from darkness to a
shine
From fear to a peace I can't explain
From doubts to a hope holding on and
letting go
Of all the empty promises of shame
This is my song

I was one way but now I'm different
There was a clear change in a holy
collision
Who I was and who I'll forever be
And He was the in between

From orphan to Your child
From a stone to running wild
From a seed in the ground to breaking
out
From a mess to a mess a blessing to a
blessing
A sea of failures bearing testimony
This is my song

Love stretched out on a tree screaming
out
So that I could say You've not forsaken
me
You're the first and the last my future
and my past
Who I was and who I will forever be
You are the in between

I was one way but now I'm different
There was a clear change in a holy
collision
Who I was and who I'll forever be
And You are the in between

CCLI Song # 7199611
Judah Akers | Matt Maher

And You never do

So I throw up my hands
And praise You again and again
'Cause all that I have is a hallelujah
hallelujah
And I know it's not much
But I've nothing else fit for a king
Except for a heart singing hallelujah
Hallelujah

I've got one response
I've got just one move
With my arms stretched wide
I will worship You

Come on my soul
Oh don't you get shy on me
Lift up your song
'Cause you've got a lion inside of those
lungs
Get up and praise the Lord

Gratitude

All my words fall short
I got nothing new
How could I express
All my gratitude

I could sing these songs
As I often do
But every song must end
