Glorious Day

Verse 1

I was buried beneath my shame
Who could carry that kind of weight
It was my tomb 'til I met You

Verse 2

I was breathing but not alive
All my failures I tried to hide
It was my tomb 'til I met You

Chorus

('Cause when) You called my name (and)
I ran out of that grave
Out of the darkness into Your glorious day
You called my name (and) I ran out of that
grave
Out of the darkness into Your glorious day

Verse 3

Now Your mercy has saved my soul
Now Your freedom is all that I know
The old made new Jesus when I met You

Bridge

I needed rescue my sin was heavy
But chains break at the weight of Your
glory
I needed shelter I was an orphan
Now You call me a citizen of Heaven
When I was broken You were my healing
Now Your love is the air that I'm breathing
I have a future my eyes are open

Opening Prayer

Running To A Runaway

Verse 1

I cry to the mountain
From the shadows of my wilderness
The rivers of my hope are running dry
Praying for a light to break the sky
I cry to the heavens
From a weary heart with nothing left
I need You like I need the air I breathe
Even in the darkness I believe

Pre-Chorus 1

You're my defender when my enemies are
everywhere
The One who finds me where I am
But doesn't leave me there
My song of rescue when I have reached the end
Chorus

I called Your name You heard my cry
And led me out into the light
A Savior with a soul to save
Running to a runaway
What a God you are what amazing grace
How You chased me down when I lost my way
A love that I could not escape
You're running to a runaway

Verse 2

I cry to the Father
Reaching for a stronger hand than mine
I know that I should never have wandered off
alone

I should never be this far from home

Pre-Chorus 2

But You won't rest until You bring me back
Where I belong
There at the table by Your side
Like I was never gone
Hallelujah what amazing love

Preaching I

Tell Your Heart To Beat Again

Forgiven

If only you'd forgive yourself

You've been made new

But you're standing where you fell

Because when you look in the mirror

It seems like all you ever see

Are the scars of every failure

And the you that you used to be

Chorus

Tell your heart to beat again

Close your eyes and breathe it in

Let the shadows fall away

You'll live to love another day

Yesterday's a closing door

And you don't live there anymore

So say goodbye to where you've been

And tell your heart to beat again

Verse 2

Forgiven

Just let that word wash over you

It's all right now

Love's healing hands have pulled you
through

So get back up and take step one

And now your new life has begun

And know that if the Son has set you free

Then you are free indeed

Bridge

Hope is reaching from a rugged cross

Where a perfect love recaptured

All the innocence that's lost

And mercy's calling from an empty grave

So lift your eyes to heaven

And hear your Savior say

Preaching II

Prayers for the Community

Communion

Rescue

You are not hidden

There's never been a moment

You were forgotten

You are not hopeless

Though you have been broken

Your innocence stolen

Pre-Chorus

I hear you whisper underneath your
breath

I hear your SOS your SOS

Chorus 1

I will send out an army to find you

In the middle of the darkest night it's true

I will rescue you

Verse 2

There is no distance

That can not be covered

Over and over

You're not defenseless

I'll be your shelter

I'll be your armor

Chorus 2

I will never stop marching to reach you

In the middle of the hardest fight it's true

I will rescue you

Bridge

I hear the whisper underneath your breath

I hear you whisper you have nothing left

Healing Rain

Healing rain is coming down
It's coming nearer to this old town
Rich and poor the weak and strong
It's bringing mercy it won't be long

Chorus 1

Healing rain it comes with fire
So let it fall and take us higher
Healing rain I'm not afraid
To be washed in heaven's rain

Verse 2

Healing rain is coming down
It's coming closer to the lost and found
Tears of joy and tears of shame
Are washed forever in Jesus' name

Verse 3

Lift your heads let us return
To the mercy seat where time began
And in your eyes I see the pain
Come soak this dry heart with healing rain

Chorus 2

And only You the Son of man
Could take a leper and let him stand
So lift your hands they can be held
By someone greater the Great I Am

Ending

Healing rain is falling down
Healing rain is falling down
I'm not afraid I'm not afraid

Glorious Unfolding

Lay your head down tonight
Take a rest from the fight
Don't try to figure it out
Just listen to what I'm whispering to your heart
'Cause I know this is not
Anything like you thought
The story of your life was gonna be
And it feels like the end has started

Closing in on you
But it's just not true
There's so much of the story
That's still yet to unfold

Chorus 1

And this is going to be a glorious unfolding
Just you wait and see and you will be
amazed

You've just got to believe
The story is so far from over
So hold on to every promise God has
made to us

And watch this glorious unfolding

Verse 2

God's plan from the start
For this world and your heart
Has been to show His glory and His grace
Forever revealing the depth and the
beauty of
His unfailing love
And the story has only begun

Bridge

We were made to run through fields of
forever
Singing songs to our Savior and King
So let us remember this life we're living
Is just the beginning of the beginning

Chorus 2

Of this glorious unfolding
We will watch and see and we will be
amazed

If we just keep on believing
The story is so far from over
And hold on to every promise God has
made to us

We'll see the glorious unfolding

Ending

Just watch and see (unfolding)
This is just the beginning
Of the beginning (unfolding)
